Children's Melanoma Prevention Foundation Receives 2016 Best of Hingham Award

Hingham Award Program Honors the Achievement

HINGHAM May 18, 2016 -- Children's Melanoma Prevention Foundation has been selected for the 2016 Best of Hingham Award in the Charitable Organizations and Foundations category by the Hingham Award Program.

Each year, the Hingham Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Hingham area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Hingham Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Hingham Award Program and data provided by third parties.
